14509 Wooden Easel Assembly Instructions

1 Assemble brace onto easel frame using threaded bolts into the provided insert nuts and repeat on opposite side of easel.

2 Assemble paint holder brackets with woodscrews into the pre-drilled holes on the side of the easel and repeat on remaining sides.

3 Portable paint holder trays can now be placed onto paint holder brackets as shown.

4 Assemble one paper roll holder bracket using woodscrews into the pre-drilled holes on the top of the easel.

5 Assemble one end of the paper roll holder by tightening a woodscrew into the pre-drilled hole on the end of the paper roll holder.

6 Slide on paper roll and repeat steps 4 and 5.
